## education

---

- **Bachelor of Science in Visual Communication** *September 2003 – June 2007*  
*Ohio University – Athens, Ohio*
  - Major: Interactive Multimedia
  - Minor: Music
  - Cumulative GPA: 3.9

## experience

---

- **Media Developer** *November 2007 – October 2008*  
*Keynote – Westfield, Indiana*
  - Designed KeynoteFuel.com, a Flash-based website promoting bands and artists.
  - Worked with a team of media specialists to develop and launch a new version of Keynote's main website.
  - Created numerous other media pieces, working with various clients within Keynote.
  - Managed a 19-day tour for one of Keynote's summer bands.
- **Multimedia Content Developer** *September 2006 – June 2007*  
*Ohio University College of Health and Human Services – Athens, Ohio*
  - Created Flash movies documenting college news and events that were displayed on the screen in the college's main lobby.
- **Desktop Publishing Assistant** *September 2005 – June 2006*  
*Ohio University Office of Research and Sponsored Programs – Athens, Ohio*
  - Created an extensive informational website based on an already existing handbook.
  - Designed all promotional materials for 2006 Ohio University Research and Creative Activity Fair, the university's primary research and activity showcase.
  - Produced a video documenting the Fair.
  - Developed various other print and web media for the Office of Research.
- **Freelance Designer** *June 2004 – August 2004*  
*Johnstown-Monroe Local School District – Johnstown, Ohio*  
*Village of Johnstown – Johnstown, Ohio*
  - Worked with school superintendent and village manager to create a community calendar, highlighting school and community events, contact information, and data on school performance and village departments.
  - Designed brochures with a like theme for each individual school building, containing important information and data on each school.
- **Marching Band Music Arranger** *September 2002 – present*
  - Arranged popular music, customized to fit each individual ensemble, for seven different high school marching bands, and the Ohio University Marching 110.
